Appointment of Archbishop Charles Chaput of Philadelphia as delegate to 2018 Synod on Young People

Whereas the PA bishops blatantly lied about PA Bill 1947 which sought to extend the statute of limitations on Pedophilia. The bishops stated it targeted only non-profits when the Bill EXPLICITLY stated that sovereign immunity was to be waived so BOTH public and private groups could be sued. - **Thereby protecting the pedophiles**

Whereas - Archbishop Chaput is listed as a major supporter of Bill Donahue's 'Catholic' League

Whereas - Bill Donahue's opinion was the "the Bill had only ONE purpose - To Stick it to Catholics" - implying he believes Catholics have the right to rape children with impunity.

Whereas - Bill Donahue's is a believer in 'Catholic astrology'

Whereas - Bill Donahue also published *"Women's Moral Descent"* with the theme that men have the right and moral obligation to rape women.

WE the undersigned, firmly believe that Archbishop Chaput is a **TOTALLY INAPPROPRIATE DELEGATE TO THE 2018 SYNOD!**
